Use

The use of all of the Units in Blondie Street Condominium shall be for residential purposes only and there shall be no commercial use whatsoever, except that nothing shall prohibit a Unit Owner from leasing or renting his or her Unit to third persons or holding it out for lease or rental, or entering into an Agreement or contract with others for the lease or rental of his or her Unit for residential use, provided that the Board may implement rules and regulations that limit the number of Units that can be rented for the sole purpose of qualifying the Condominium for institutional financing (e.g. FNMA underwriting approval). Unit Owners are prohibited from leasing their Units for an initial term of less than thirty (30) days. The use of the General Common Elements shall be for the recreation and enjoyment of the Unit Owners, their guests, tenants, lessees and invitees. The Units and Common Elements shall be limited as follows:

- a. There shall be no obstruction of the Common Elements, nor shall anything be stored in or on the General Common Elements without the prior written consent of the Association. Owners with Units which have usable space in the limited common area beneath the living area of their Unit may use this space for storage provided such use does not constitute a hazard to any Unit and does not block any

access beneath the Unit or obstruct any easement for utility service, or result in cancellation or rate increase of Association insurance. Each Owner shall be obligated to maintain and keep in good order and repair the interior of his or her own Unit.

b. Nothing shall be done or kept in any Unit or in the Common Elements which will increase the rate of insurance on the Building or contents thereof, without the prior written consent of the Association. No Owner shall permit anything to be done or kept in his or her Unit or in the Common Elements which will result in the cancellation of insurance on the Building, or contents thereof, or which would be in violation of any law. No waste will be permitted on the Common Elements.

c. Unit Owners shall not cause or permit anything to be hung or displayed on the outside of windows or placed on the outside walls of a Building, and no sign, awning, canopy, radio or television antenna shall be affixed to or placed upon the exterior walls or roof of any part thereof, without the prior written consent of the Association. Seasonal decorations that are promptly removed after the season and reasonable name plates or identification signs for individual Units may be allowed. Use of balconies and patios may be regulated by the Association. Charcoal grills are prohibited, and no furniture intended for indoor use may be placed on the balconies or patios. No signs, banners or other objects may be hung from a balcony without first obtaining the written consent of the Association.

d. No nuisances shall be allowed upon the property nor shall any use or practice be allowed which is a source of annoyance to Unit Owners or which interferes with the peaceful possession and proper use of the property by its residents. No offensive or unlawful use shall be made of the property nor any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed.

e. Nothing shall be done in any Unit or in, on or to the Common Elements which will impair the structural integrity of the Building or which would structurally change the Building, except as is otherwise provided herein.

f. No animals of any kind shall be raised, bred, or kept in any Unit, except that no more than a total of three (3) household pets may be kept subject to rules and regulations from time to time adopted or amended by the Association. There shall be no more than two (2) dogs kept in any Unit. There shall be no more than two (2) cats kept in any Unit. All dogs must be kept on a leash while on the condominium property. Additionally, Unit Owners, their tenants, and any guests, shall be responsible for the immediate clean-up of any pet waste and the repair of any damage caused by pets to any of the General Common Elements or Limited Common Elements. Any pet which bites another animal or a human upon the premises shall be immediately and permanently removed unless it can be shown

by clear and convincing evidence, as determined by the Board, that the animal was unreasonably provoked into such action. For purposes of the foregoing sentence, any animal which is restrained in some reasonable fashion but is approached by another animal or human shall be presumed to be the non-aggressor. Failure to timely remove the pet(s) can result in a fine not to exceed \$20.00 per day for each day the pet remains on the Property or in the Unit, which fine shall become part of the assessments for that Unit. Failure to immediately pick up after a Unit Owner's animal or an animal belonging to a tenant of the Unit on the common area will result in a \$25.00 fine for each offense, which shall also become a part of the assessment for Unit, regardless of whether the offending animal is owned by the Unit Owner or by a tenant of the Unit. Failure of an Owner to adhere to pet regulations and requirements shall be grounds for the Association and other Unit Owners to maintain a nuisance action to remove the offending pet(s). The Association shall have the authority to ban certain breeds of dogs or individual dogs from the Condominium, provided that such actions are based upon objective criteria related to aggressive tendencies of the breed or individual dogs. In the event that an Owner leases his or her Unit to a person who has pets, the Owner of the Unit shall be responsible for the enforcement of the pet restrictions and rules, and any fines imposed shall be a charge against the Unit, for which the Association may obtain satisfaction in the same manner as if the Unit Owner failed to pay an assessment imposed against the Unit. The Association shall have the right to file a lien against the Unit and shall have the right to foreclose said lien in the same manner as provided herein.

g. Nothing shall be altered or constructed in or removed from the Common Elements, and no easements, liens or encumbrances placed on the Common Elements, except upon the written consent of two-thirds ($\frac{2}{3}$) of the aggregate ownership interest of the Unit Owners affected by such action. The foregoing restriction does not apply to the Declarant while the Declarant owns any Unit.

h. All garbage shall be kept in appropriate containers, and stored in a screened trashed enclosure on the back porch unless put out for collection. No junk, garbage, trash, equipment, parts, metals, lumber, debris, or other waste shall be allowed on the sidewalk, entrance, or driveway for any Unit, nor on any Common Element. All garbage and trash requirements of any government agencies shall be observed. Garage doors shall be kept closed unless in use.

i. Campers, trailers, boats and other recreational vehicles may only be brought onto the condominium property or onto any street bordering the condominium property for loading and unloading for immediate use. No inoperable vehicles, and no campers, boats, recreational vehicles, or trailers, shall be left parked in the condominium parking areas or on driveways or garage parking pads or on any street bordering the condominium property for more than 24 hours at one time. Repeated parking of such vehicles or trailers is also prohibited. No one may reside

in any recreational vehicles, trailers, or motor homes upon the Property. Violators of this paragraph are subject to towing and fines levied by the Board in the Board's discretion.

Exclusive Ownership

Each Owner or Owners shall be entitled to exclusive ownership and possession of their Unit. Such Owners may use the General Common Elements and Limited Common Elements in accordance with the purposes for which they are intended and this Declaration and as they may otherwise agree between themselves, so long as they do not hinder or encroach upon the lawful rights of other Unit Owners. The right of a Unit Owner to sell, transfer, or otherwise convey his or her Unit in the Condominium shall not be restricted by a right of first refusal or similar restriction in the Declaration and Bylaws (or any amendment thereto).

V.

THE ASSOCIATION

Membership

Any Owner of a Unit in Blondie Street Condominium shall automatically, upon becoming the Owner of said Unit, be a member of the Blondie Street Condominium Owners Association, Inc., a Montana nonprofit corporation, hereinafter referred to as the Association, and shall remain a member of said Association until such time as his or her membership in said Association shall automatically cease. The membership shall be limited to Unit Owners as defined in this Declaration.

Function

It shall be the function of the Association to:

- a. Adopt Bylaws for the governance of the Association.
- b. Make provisions for the general management and/or repairs and maintenance of Blondie Street Condominium.
- c. Levy fines and assessments as provided for in the Declaration, Bylaws and Unit Ownership Act.
- d. Adopt and implement a policy for the affairs of the Association.
- e. Enter into contracts or hire personnel for the management of the affairs of the Association and the maintenance and repair of the common areas.

- f. Be responsible for the perpetual maintenance of the landscaping, common open space, parking lots, and driving lanes.

Voting

On all matters, unless excluded by this Declaration, to be decided by the Unit Owners, each Unit shall have a vote equal to its percentage of interest in the General Common Elements. Multiple owners of a single condominium Unit shall collectively have such voting interest. In the event that Unit Owners of the same Unit cannot agree as to how to vote that Unit's interest, said Unit's vote shall be suspended for that particular matter. An owner of a condominium Unit, upon becoming an owner, shall be a member of the Association and remain a member for the period of his or her Unit ownership. Except as otherwise provided in the Unit Ownership Act, this Declaration or the Bylaws, a majority of the Unit ownership percentage present at any meeting or by proxy shall be sufficient to act on matters brought before the Unit Owners. Meetings of the Unit Owners shall only be conducted when a quorum is present, as defined in the Association Bylaws.

Failure to Comply

Each Owner shall comply strictly with the provisions of this Declaration, the Bylaws of the Association, and the rules, regulations, decisions and resolutions of the Association adopted pursuant thereto as the same may be lawfully amended from time to time. Failure to comply with any of the same shall be grounds for an action to recover sums due, for damages or injunctive relief or both, and for reimbursement of all costs, including attorney fees incurred in connection therewith, which action shall be maintainable by the Manager in the name of the Association, on behalf of the Owner, or in the proper case, by an aggrieved Owner. Each Unit Owner shall also comply with any applicable subdivision covenants, rules and regulations for the subdivision in which the Condominium is located.

Fines

The Association, acting through the Board or the Manager, shall have the authority to levy fines against Units for any violation of the covenants set forth herein or for any violation of the rules and regulations duly adopted by the Board. Violations caused by a tenant shall be assessed against the occupied Unit and shall be the responsibility of the Unit Owner. For each violation, the Unit Owner may be fined according to the following fine schedule:

First Offense:	\$25.00
Second Offense:	\$50.00
Third Offense and More:	\$100.00

The fine schedule may be amended by the Board at any duly called meeting. All fines shall be considered final and shall be considered an assessment and a lien against the Unit

unless the Unit Owner makes a written appeal to the Board within five (5) business days of receiving the fine and the Board subsequently overturns such fine. The Board shall have thirty days to meet and render its decision regarding the fine, which decision shall be final. At the meeting hearing the appeal, the Unit Owner may present evidence and testimony subject to reasonable regulation by the Board. All fines may be collected by the Association in the same manner as an assessment as set forth herein. All fines not paid within thirty (30) days shall accrue interest at the then maximum current legal rate of interest per annum on the amount of the fine from the due date thereof.

Payment of Assessments

All assessments shall be due ten (10) days from the date of mailing such assessment following the meeting at which time assessments are levied by the Board, and may be payable in one annual payment, or in quarterly or monthly installments, as determined by the Board. The amount of the Common Expenses assessed against each Unit, and the amount of Limited Expenses assessed against each Unit shall be the personal and individual debt of the Owner or Owners thereof. No Owner may exempt himself or herself from liability for this contribution toward the Common Expenses and the Limited Expenses by waiver of the use of enjoyment of any of the General Common Elements or Limited Common Elements or by abandonment of his or her Unit. All assessments which are not paid within thirty (30) days from the date they are due and payable become delinquent and are subject to interest and penalty charges. The Association or Manager shall have the responsibility of taking prompt action to collect any unpaid assessment which becomes delinquent. In the event of delinquency in the payment of the assessment, the Unit Owner shall be obligated to pay interest at the then maximum current legal rate of interest per annum on the amount of the assessment from the due date thereof and any late payment charges assessed, together with all expenses, including attorney fees incurred, as are provided in the Bylaws of the Association. Suit to recover a money judgment for unpaid Common Expenses and Limited Expenses may be maintainable without foreclosing or waiving the lien securing the same.

Levying Assessments - When Made - Purposes

The Association of Unit Owners shall levy assessments upon the Unit Owners in the following manner and for the following reasons:

- a. Assessments shall be made as a part of the regular business of the Board of Directors of the Association at any regular or special meeting thereof as provided in the Bylaws of the Association. Notice of the proposed assessment, amount thereof, and the purpose for which it is made whether regular or special, including an annual budget for expenditures and operation, shall be served on each Unit Owner affected by delivering a copy of the same to the Unit Owner personally or by mailing a copy of the notice to the Unit Owner at his or her address of record at

least ten (10) days prior to the date for such meeting. The Board of Directors shall approve the budget and the amount of assessments.

b. Assessments shall be made for the repair, replacement, general maintenance, management and administration of Common Elements, fees, costs and expenses of the manager, insurance, taxes for common areas if any, and as more particularly provided in the Unit Ownership Act (Section 70-23-101, et. seq., MCA), sidewalks, driveways, weed control, and any other matters that fall within the common elements of the condominium. In addition, the Association shall be responsible for all special improvement district (SIDs) applicable to the condominium, including, but not limited to, lighting districts, street maintenance, tree maintenance or any other properly created SID, and assessments shall be levied for the same. Assessments shall be based upon and computed by using the percentage of interest that each Unit Owner has in the General Common Elements.

c. Assessments may also be made for the payment of Limited Expenses for Limited Common Elements such that the Unit Owners are chargeable only for the expenses relating to their respective Units or Buildings. Unit Owners shall share in the payment for Limited Expenses for the repair, maintenance and replacement of Limited Common Elements of their respective Units in accordance with the percentage the Unit or Units have in the Limited Common Elements for which the assessment is being made. If only one Unit is associated with the Limited Common Elements involved, then the entire cost of such repair, maintenance or replacement shall be borne by that Unit.

d. Assessments may also be made for any purpose contemplated by this Declaration and for any purpose set out in the Montana Unit Ownership Act.

e. Common expenses and profits, if any, of the condominium shall be distributed among and charged to, the Unit Owners according to the percentage of undivided interest of each in the Common Elements.

f. In a voluntary conveyance of a Unit, the Grantee of the Unit shall be jointly and severally liable with the Grantor for all unpaid assessments by the Association against the latter for his or her share of the Common Expenses up to the time of the grant or conveyance, without prejudice to the Grantee's right to recover from the Grantor the amounts paid by the Grantee therefor. However, any such Grantee shall be entitled to a statement from the Manager or Board of Directors of the Association, as the case may be, setting forth the amount of said unpaid assessments against the Grantor due the Association and such Grantee shall not be liable for, nor shall the Unit conveyed be subject to a lien for, any unpaid assessments made by the Association against the Grantor in excess of the amount therein set forth.

g. Any lien of the Association for Common Expense charges and assessments becoming payable on or after the date of recordation of the first mortgage or deed of trust, shall be subordinate to the first mortgage or deed of trust on the Unit. Such a lien for Common Expense charges and assessments shall not be affected by any sale or transfer of a Unit, except that a sale or transfer of a Unit pursuant to a foreclosure of a first mortgage or deed of trust shall extinguish a subordinate lien for common expense charges and assessments which became payable prior to such sale or transfer. Any such sale or transfer pursuant to a foreclosure shall not relieve the purchaser or transferee of a Unit from liability for, nor the Unit so sold or transferred from the lien of, any common expense charges thereafter becoming due.

h. Prior to the initial sales of Units within the Condominium, an initial assessment amount, including a capital contribution (reserves), shall be established for each Unit. Said assessment amount shall be paid to the Association at the close of each Unit or upon the transfer of the deed for each Unit. The Association shall establish a reserve account for repair and replacement of Common Elements as needed to keep such in good condition and repair. Any reserve account established under this section shall be funded by separate reserve assessments against the Units in such amount as the Board may approve as a part of the annual Association budget. Any reserve account shall be established in the name of the Association. The Association shall be responsible for administering the account. Assessments paid into the reserve account are the property of the Association and are not refundable to sellers or Unit Owners.

VI.

DECLARANT'S RIGHT TO CHANGE

The Declarant reserves the right to change the interior design and arrangement of all Units, and alter the boundaries between Units, so long as the Declarant owns the Unit so altered. No such change shall increase the number of Units or alter the boundary of the General Common Elements without an amendment of this Declaration.

Until ninety percent (90%) of the Units have been sold, Declarant reserves the right to establish easements, reservations, exceptions and exclusions consistent with the condominium ownership project.

Notwithstanding any other provisions expressly or impliedly to the contrary contained in this Declaration, the Articles of Incorporation or Bylaws of the Association, Declarant reserves the right to exercise the rights, duties and functions of the Board of Directors of the Association until the earlier of the following:

A. 120 days after the date by which seventy-five percent (75%) of the Units have been conveyed to Unit purchasers; or

B. seven (7) years have elapsed since the Declaration and Bylaws were recorded.

During the period of development and sale of the remaining condominium Units, the monthly assessment for Common Expenses for Units owned by the Declarant shall be based upon the estimate of the actual cost thereof, excluding therefrom any estimated amount for contingencies, reserves or sinking funds, and Declarant shall pay its pro rata share thereof only for those condominium Units which have been completed. During the period when fewer than all of the Units have been erected, the Common Expenses shall be allocated among the Owners of such existing Units.

VII.

AMENDMENT

Amendment of this Declaration shall be made in the following manner:

This Declaration may be amended at any regular or special meeting of the Association of Unit Owners provided such amendment receives the favorable vote of at least seventy-five percent (75%) of the aggregate Unit ownership interest. Approval may be given by proxy ballot. If so approved, it shall be the responsibility of the Association to file the amendment with the Clerk and Recorder's Office of Gallatin County, Montana.

An amendment may be adopted at any time without a meeting if it is approved in writing by the notarized signatures of one hundred percent (100%) of the Unit Owners.

Notwithstanding the procedure set forth above, the Declarant may amend this Declaration, or any other project document, prior to any sale or lease of a Unit or interest thereof. Notwithstanding the procedures set forth above, Declarant reserves the right at any time, on behalf of itself and on behalf of the Association, to amend this Declaration and the Bylaws without approval of any Unit Owner for the purpose of correcting survey or other errors and for any other purpose unless the amendment would materially alter or change the rights of a Unit Owner or mortgagee, in which event consent shall be required as provided in this article. Any right granted or reserved to Declarant may not be changed by an amendment unless consented to, in writing, by the Declarant. Declarant reserves the right to assign any and all of its rights reserved or granted herein.

In addition to the amendment requirements set forth above, the approval of eligible holders of first mortgages on Units to which at least fifty-one percent (51%) of the votes of Units subject to a mortgage appertain, shall be required to materially amend any provisions of the Declaration and Bylaws or to add any material provisions thereto, which establish, provide for, govern or regulate any of the following:

(A) Voting;

(B) Assessments, assessment liens or subordination of such liens;

- (C) Reserves for maintenance, repair and replacement of the Common Elements;
- (D) Insurance or fidelity bonds;
- (E) Rights to use of the Common Elements;
- (F) Responsibility for maintenance and repair of the several portions of the Condominium;
- (G) Expansion or contraction of the Condominium regime or the addition, annexation or withdrawal of property to or from the regime;
- (H) Boundaries of any Unit;
- (I) The interests in the General Common Elements or Limited Common Elements;
- (J) Convertibility of Units into Common Elements or of Common Elements into Units;
- (K) Leasing of Units;
- (L) Imposition of any right of first refusal or similar restriction on the right of a Unit Owner to sell, transfer, or otherwise convey his or her Unit in the Condominium;
- (M) Establishment of self-management by the Condominium association where professional management has been required by any of the following: Department of Housing and Urban Development, the federal Veterans Administration, the Federal National Mortgage Association, or the Federal Home Loan Mortgage Corporation.

The approval of eligible holders of first mortgages on units to which at least fifty-one percent (51%) of the votes of Units subject to a mortgage appertain, shall be required to amend any provisions included in the Declaration and Bylaws of the Condominium which are for the express benefit of holders or insurers of first mortgages on Units in the Condominium. Any proposed amendment to the Declaration and Bylaws shall be deemed approved by a mortgagee, mortgage insurer, or government agency or corporation if said entity fails to object or consent to a written proposal for an amendment within sixty (60) days after receipt of notice of the written proposal by such entity, provided such notice was delivered by certified or registered mail, with a "return receipt" requested.

VIII.

CHANGES, REPAIRS AND LIENS

Alterations by Unit Owners Association

The interior plan of a Unit may be changed by the Owner. The boundaries between Units may be changed only by the Owners of the Units affected. No Units may be subdivided. No change in the boundaries of Units shall encroach upon the boundaries of the Common Elements.

Boundary walls must be equal in quality of design and construction to the existing boundary walls. A change in the boundaries between Units shall be set forth in an amendment to this Declaration. In addition to compliance with the provisions of Paragraph VII above, such amendment must further set forth and contain plans for the Units concerned showing the Units after the change in boundaries, which plans shall be drawn by an architect, surveyor or engineer licensed to practice in Montana, and attached to the amendment as exhibits, together with the certificate of architect, surveyor or engineer required by the Unit Ownership Act. Such an amendment shall be signed and acknowledged by the Owners of the Units concerned, as well as those Owners with an interest in any Common Element affected. The amendment shall also be approved by the Board of Directors of the Association, and signed and acknowledged by all lienors and mortgagees of the Units concerned.

Maintenance by Unit Owners

Each Owner shall maintain and keep in repair the interior of his or her own Unit, including the fixtures thereof. All fixtures and equipment installed in the Unit, commencing at a point where the utilities enter the Unit, shall be maintained and kept in repair by the Owner thereof. An Owner shall do no act nor any work that will impair the structural soundness or integrity of the Buildings or impair any easement.

Each Owner shall also keep any balcony, patio, entrance or deck area appurtenant to his or her Unit in a clean and sanitary condition. The right of each Owner to repair, alter, and remodel is coupled with the obligation to replace any finishing or other materials removed with similar type or kinds of materials. All glass replacement shall be with similar quality, shade and design. No act or alteration, repairing or remodeling by any Unit Owner shall impair in any way the integrity of the adjoining Units or the integrity of Limited Common Elements or General Common Elements.

Exterior Alterations

No Owner may change, alter or remodel the exterior of his or her Unit without the prior written approval of the Association.

Liens for Alterations

Labor performed and materials furnished and incorporated into a Unit with the consent of or at the request of the Unit Owner, his or her agent, his or her contractor or subcontractor shall be the basis for the filing of a lien against the Unit of the Unit Owner consenting to or requesting the same. Each Unit Owner shall indemnify and hold harmless each of the other Owners from and against all liability arising from the claim of any lien against the Unit or any other Owner or against the general or Limited Common Elements for construction performed or for labor, materials, services or other products incorporated in the Owner's Unit at such Owner's request.

Liens and Foreclosure

All sums assessed but unpaid for the share of Common Expenses and Limited Expenses chargeable to any Unit shall constitute a lien on such Unit superior to all other liens and encumbrances, except only for tax and special assessment liens on the Unit in favor of any assessing authority, and all sums unpaid on a first mortgage, a first deed of trust, or contract for deed, of record. To evidence such lien, the Association shall prepare a written notice of lien assessment setting forth the amount of such unpaid indebtedness, the amount of accrued interest and late charges thereon, the name of the Unit Owner, and a description of the Unit. Such notice shall be signed and verified by one of the officers of the Association or by the Manager, or his or her authorized agent, and shall be recorded in the office of the Clerk and Recorder of Gallatin County, Montana. Such lien shall attach from the date of recording such notice. Such lien may be enforced by the foreclosure of the defaulting Owner's Unit by the Association as provided in the Unit Ownership Act in like manner as foreclosure of a mortgage on real property. In any foreclosure, the Unit Owner shall be required to pay a reasonable rental for the Unit, if so provided in the Bylaws, and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. Suit to recover a money judgment for unpaid Common Expenses and Limited Expenses shall be maintainable without foreclosure or waiving the lien securing the same. In any such proceeding the Owner shall be required to pay the costs, expenses and attorney's fees incurred in filing a lien, and in the event of foreclosure proceedings, additional costs, expenses and attorney's fees incurred.

Bidding at Foreclosure

The Association shall have the power to bid on the Unit at a foreclosure or other legal sale, and to acquire and hold, lease, mortgage and vote the votes appurtenant to, convey or otherwise deal with the same. Any lienholder holding a lien on the Unit may pay, but shall not be required to pay, any unpaid General Common Expenses or Limited Expenses payable with respect to any such Unit, and upon such payment such lienholder shall have a lien on said Unit for the amounts paid of the same priority as the lien of his or her encumbrance without the necessity of having to file a notice or claim of such lien.

IX.

INSURANCE

Purchase

All insurance policies upon Blondie Street Condominium property shall be purchased by the Association and shall be issued by an insurance company authorized to do business in Montana.

- a. Named Insured: The named insured shall be the Association individually and as agent for the Unit Owners without naming them. Such policies shall provide that payments for losses thereunder by the insurer shall be paid to the insurance Trustee hereinafter designated, and all policies and endorsements thereon shall be deposited with the insurance Trustee. Unit Owners may obtain insurance coverage, at their own expense, upon their own personal property and for their personal liability and living expense.
- b. Copies to Mortgagees: One copy of each insurance policy and of all endorsements thereon shall be furnished by the Association to each mortgagee of a Unit Owner on request.

Coverage

- a. Casualty: All Buildings and improvements upon the land shall be insured in an amount equal to the full insurable replacement value, and all personal property included in the Common Elements shall be fully insured, with all such insurance to be based on current replacement value, as determined annually by the Board of Directors, but subject to such deductible clauses as are required in order to obtain coverage at reasonable costs. The Association shall obtain, maintain, and pay the premiums upon, as a Common Expense, a "master" or "blanket" type policy of property insurance covering all of the Common Elements and Limited Common Elements, (except land, foundation, excavation and other items normally excluded from coverage) including fixtures, to the extent they are part of the Common Elements of the Condominium, building service equipment and supplies, and other common personal property belonging to the Association. All references herein to a "master" or "blanket" type policy of property insurance, are intended to denote single entity condominium insurance coverage. In addition, any fixtures, equipment or other property within the units which are to be financed by a mortgage to be purchased by FNMA or FHLMC (regardless of whether or not such property is a part of the common elements) must be covered in such "blanket" or "master" policy. Such insurance policy must be consistent with state and local insurance laws and at least equal to such coverage as is commonly required by prudent institutional mortgage investors in Gallatin County, Montana. The policy shall be in an amount equal to 100% of current replacement cost of the Condominium exclusive of land, foundation, excavation and other items normally excluded from coverage. Certificates of insurance shall be issued to each Unit Owner and mortgagee upon request. Such policies shall contain the standard mortgage clause, or equivalent endorsement (without contribution), which is commonly accepted by private institutional mortgage investors in the area in which the property is located and which appropriately names FNMA and FHLMC if such corporations are holders of first mortgages on Units within the Condominium. Such policies must also provide that they may not be cancelled or substantially modified, without at least 10 days' prior written notice to the Association and to each holder of a first mortgage listed

as a scheduled holder of a first mortgage in the policies. Policies are unacceptable where: (i) under the terms of the insurance carrier's charter, by-laws, or policy, contributions or assessments may be made against borrowers, FNMA, FHLMC, or the designee of FNMA or FHLMC; or (ii) by the terms of the carrier's charter, by-laws or policy, loss payments are contingent upon action by the carrier's board of directors, policyholders, or members, or (iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent FNMA, FHLMC, or the borrowers from collecting insurance proceeds. The policies must also provide for the following: recognition of any, Insurance Trust Agreement; a waiver of the right of subrogation against Unit Owners individually; that the insurance is not prejudiced by any act or neglect of individual Unit Owners which is not in the control of such Owners collectively; and that the policy is primary in the event the Unit Owner has other insurance covering the same loss. The requirements stated in this paragraph are generally provided by the insurer in the form of a "Special Condominium Endorsement" or its equivalent. The insurance policy shall afford, as a minimum, protection against the following:

- (1) loss or damage by fire and other perils normally covered by the standard extended coverage endorsement;
- (2) in the event the condominium contains a steam boiler, loss or damage resulting from steam boiler equipment accidents in an amount not less than \$50,000 per accident per location (or such greater amount as deemed prudent based on the nature of the Property);
- (3) all other perils which are customarily covered with respect to condominiums similar in construction, location and use, including all perils normally covered by the standard "all-risk" endorsement, where such is available.

If available and commonly required by prudent institutional mortgage investors in Gallatin County, Montana, such policies shall also include an "Agreed Amount Endorsement" and an "Inflation Guard Endorsement".

Insurance coverage shall afford protection against:

- (1) Loss or damage by fire and other hazards covered by a standard extended coverage endorsement; and
- (2) Such other risks as from time to time shall be customarily covered with respect to Buildings similar in construction, location and use as the Building on the land, including, but not limited to, vandalism and malicious mischief.
- (3) Errors or Omissions Insurance for the Directors, Officers and Managers, if the Association so desires, in amounts to be determined by the Board.

The policies shall state whether air handling or service equipment, interior fixtures and carpets are included within the coverage in order that Unit Owners may insure themselves if the items are not insured by the Association.

b. **Public Liability:** The Association shall maintain comprehensive general liability insurance coverage covering all of the Common Elements, commercial space owned and leased by the Association, and public ways of the condominium project. Coverage limits shall be in amounts generally required by private institutional mortgage investors for projects similar in construction, location, and use. However, such coverage shall be for at least \$1,000,000 for bodily injury, including deaths of persons and property damage arising out of a single occurrence. Coverage under this policy shall include, without limitation, legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Common Elements, and legal liability arising out of lawsuits related to employment contracts of the Association. Such policies must provide that they may not be cancelled or substantially modified, by any party, without at least 10 days' prior written notice to the Association and to each holder of a first mortgage on any Unit in the Condominium which is listed as a scheduled holder of a first mortgage in the insurance policy.

c. **Other Insurance:** Such other insurance as the Board of Directors of the Association shall determine from time to time to be desirable and as may be required by Federal and State laws.

d. For all insurance policies, the Association shall only use generally acceptable insurance carriers

Fidelity Bonds.

In the event the regulations of any holder, insurer or guarantor of a first mortgage so require, blanket fidelity bonds shall be maintained by the Association for all officers, directors, and employees of the Association and all other persons handling, or responsible for, funds of or administered by the Association. If the Manager has the responsibility for handling or administering funds of the Association, the Manager shall be required to maintain fidelity bond coverage for its officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Association. Such fidelity bonds shall name the Association as an obligee and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Association or the Manager, as the case may be, at any given time during the term of each bond. However, in no event may the aggregate amount of such bonds be less than a sum equal to 3 months aggregate assessments on all Units plus reserve funds. The bonds shall contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees", or similar terms or

expressions. The premiums on all bonds required herein, except those maintained by the Manager, shall be paid by the Association as a Common Expense. The bonds shall provide that they may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least 10 days' prior written notice to the Association or Insurance Trustee. Such bonds shall provide that the FNMA Servicer, on behalf of FNMA, also, receive such notice of cancellation or modification.

Premiums

Premiums for insurance policies purchased by the Association shall be paid by the Association as a Common Expense, except that the amount of increase in the premium occasioned by use, misuse, occupancy or abandonment of a Unit or its appurtenances or of the Common Elements by a Unit Owner shall be assessed against the Owner. Not less than ten (10) days prior to the date when a premium is due, evidence of such payment shall be furnished by the Association to each mortgagee listed in the roster of mortgagees.

Insurance Trustee

All insurance policies purchased by the Association shall be for the benefit of the Association and the Unit Owners and their mortgagees as their interests may appear, and shall provide that all proceeds covering property losses shall be paid to such bank in Montana with trust powers as may be designated as insurance trustee by the Board of Directors of the Association, which trustee is herein referred to as the insurance trustee. The insurance trustee shall not be liable for payment of premiums, nor for the renewal or the sufficiency of policies, nor for the failure to collect any insurance proceeds. The duty of the insurance trustee shall be to receive such proceeds as are paid and hold the same in trust for the purposes elsewhere stated in this instrument and for the benefit of the Unit Owners, and their mortgagees in the following shares, but which shares need not be set forth on the records of the insurance trustee:

- a. Unit Owners - An undivided share for each Unit Owner, such share being the same as the undivided share in the Common Elements appurtenant to his or her Unit.
- b. Mortgagees - In the event a mortgagee endorsement has been issued as to a Unit, the share of the Unit Owner shall be held in trust for the mortgagee and the Unit Owner as their interests may appear; provided, however, that no mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds except distributions thereof made to the Unit Owner and mortgagee pursuant to the provision of this Declaration.

Distribution of Proceeds

Proceeds of insurance policies received by the insurance trustee shall be distributed to or for the benefit of the beneficial Owners in the following manner:

- a. Miscellaneous: Expenses of administration, the insurance trustee, and construction or remodeling supervision shall be considered as part of the cost of construction, replacement or repair.
- b. Reconstruction or Repair - If the damage for which the proceeds are paid is to be repaired or reconstructed by the Association, the remaining proceeds shall be paid to defray the cost thereof as elsewhere provided. Any proceeds remaining after defraying such costs shall be distributed to the beneficial Owners, remittances to Unit Owners and their mortgagees being payable jointly to them.
- c. Failure to Reconstruct or Repair - If it is determined in the manner elsewhere provided that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed to the beneficial owners, remittances to Unit Owners and their mortgagees being payable jointly to them.
- d. Certificate - In making distribution to Unit Owners and their mortgagees, the insurance trustee may rely upon a certificate from the Association made by its representative or Manager as to the names of the Unit Owners and their respective shares of the distribution.

Association as Agent

The Association is irrevocably appointed agent for each Unit Owner and for each Owner of a mortgage or other lien upon a Unit and for each Owner of any other interest in the condominium property to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

Benefit to Mortgagees

Certain provisions in this paragraph entitled "Insurance" are for the benefit of mortgagees or trust indenture beneficiaries of condominium parcels, and all such provisions are covenants for the benefit of any mortgagee of a Unit and may be enforced by such mortgagee or beneficiary.

Reconstruction

A. Repair After Casualty

If any part of the condominium property shall be damaged by casualty, whether or not it shall be reconstructed or repaired shall be determined in the following manner:

1. Lesser Damage - If a Unit or Units are found by the Board of Directors of the Association to be tenantable after the casualty, the damaged property shall be repaired.
2. Greater Damage - If a Unit or Units are found by the Board of Directors to be not tenantable after the casualty, the damaged property shall be reconstructed or rebuilt.
3. Certificate - The insurance trustee may rely upon a certificate of the Association made by its president and secretary to determine whether or not the damaged property is to be reconstructed or repaired.

B. Plans and Specifications

Any reconstruction or repair must be substantially in accordance with the plans and specifications for the original improvements, or if not, then according to plans and specifications approved by: (1) the Board of Directors; (2) more than seventy-five percent (75%) of the aggregate unit ownership interest, including the Owners of all Units the plans for which are to be altered; and (3) the eligible holders of first mortgages on Units to which at least fifty-one percent (51%) of the votes of Units subject to mortgages held by such eligible holders are allocated. No reallocation of interests in the General Common Elements resulting from a partial condemnation or partial destruction of the condominium project may be effected without the approval of the eligible holders of first mortgages on units to which at least fifty-one percent (51%) of the votes of units subject to mortgages held by such eligible holders are allocated. Any such reconstruction not in accordance with the original plans and specifications must be set forth in an amendment to the Declaration, which amendment shall be filed of record in accordance with the provisions of such amended filing, more particularly set forth in Article VII and Article VIII above.

C. Responsibility

The responsibility for reconstruction or repair after casualty shall be the same as for maintenance and repair of the condominium property, and the Association shall work with the insurance trustee to carry out the provisions of this Article.

D. Assessments

If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction or repair for which the Association is responsible, or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the costs thereof are insufficient, assessments shall be made against all Unit Owners in sufficient amounts to provide funds to the payment of such costs. Such assessments shall be in proportion to the Owner's percentage of interest in the General Common Elements.

E. Construction Funds

The funds for payment of costs of reconstruction or repair after casualty, which shall consist of proceeds of insurance held by the insurance trustee and funds collected by the Association from assessments against Unit Owners, shall be disbursed in the sound discretion of the trustee and according to the contract of reconstruction or repair, which contract must have the approval of the Board and the Unit Owners involved.

F. Surplus

It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from the insurance proceeds. If there is a balance in a construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be paid to the Association for the use and benefit of the Unit Owners.

X.

REMOVAL OR PARTITION - SUBDIVISION

Consent to Removal

All of the Unit Owners may remove the Property from condominium ownership by executing and recording an instrument to that effect if the holders of all liens affecting any of the Units consent thereto or agree, in either case by instruments duly recorded, that their liens be transferred to the undivided interest of the Unit Owner in the Property after removal from condominium ownership.

Obsolescence, Damage and Destruction

If ninety percent (90%) of the aggregate ownership interest of the Unit Owners agree that the Property is obsolete in whole or in part and that the Property should be renewed and restored, the expense thereof shall be paid by all the Unit Owners as Common Expenses. If ninety percent (90%) of the aggregate ownership interest of the Unit Owners agree that the Property is obsolete in whole or in part and that the Property should be sold, the Property shall be considered removed from condominium ownership. If within 60 days after the date of the damage to or destruction of all or part of the Property the Association does not decide to repair, reconstruct, or rebuild, the Property shall be considered removed from condominium ownership.

Consent of Mortgagees

Any election to terminate the Condominium regime after substantial destruction or a substantial taking in condemnation of the Condominium property must require the

approval of the eligible holders of first mortgages on Units to which at least sixty-seven percent (67%) of the votes of Units subject to mortgages held by such eligible holders are allocated.

Condemnation Representation

For all condemnation issues concerning the Condominium, the Association shall represent the Unit Owners in the condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Elements, or part thereof, by the condemning authority. Each Unit Owner hereby appoints the Association as attorney-in-fact for such purpose.

Effect of Removal - Ownership in Common - Liens - Sale

If the Property is removed from condominium ownership as provided in this Article, the Property shall be considered owned in common by all the Unit Owners. The percentage of undivided interest of each Unit Owner in the Property owned in common shall be the same as the percentage of undivided interest previously owned by such Owner in the Common Elements. Liens affecting any Unit shall be liens, in accordance with the then existing priorities, against the undivided interest of the Unit Owner in the Property owned in common. If the Property is removed from condominium ownership as provided in this Article, it shall be subject to an action for partition at the suit of any Unit Owner. The net proceeds of sale, together with the net proceeds of the insurance on the Property, if any, shall be considered as one fund and shall be divided among the Unit Owners in proportion to their respective undivided interests after first paying out of the respective shares of the Unit Owners, to the extent sufficient for the purpose, all liens on the undivided interest in the Property owned by each Unit Owner.

XI.

(E) Any lapse, cancellation or material modification of any insurance policy maintained by the Association.

XII.

REMEDIES

All remedies provided in this Declaration and Bylaws shall not be exclusive of any other remedies which may be available to the parties hereto as provided for by law. The Association and any aggrieved Unit Owner has a right of action against Unit Owners for failure to comply with the provisions of the Declaration and/or Bylaws or with decisions of the Association which are made pursuant to authority granted the Association by the Declaration and Bylaws. Unit Owners also have a right of action against the Association for failing to comply with the provisions of the Declaration and/or Bylaws.
